

Our tiny transmitters - Pip & PicoPip

PARTNERS IN TELEMETRY

Specialists in Animal Monitoring

Pip

- Our standard small tags
- Optional temperature sensing for activity or mortality

	Minimum weight (g)*	Battery type	Lifespan (days) 20ms 50ppm	Lifespan (days) 12ms 30ppm	
	0.29	Ag337	10	23	PicoPip
Pip	0.35	Ag337	10	23	
	0.38	Ag317	17	38	PicoPip
Pip	0.42	Ag317	17	38	
	0.42	Ag379	22	50	PicoPip
Pip	0.47	Ag379	22	50	
	0.56	Ag376	39	88	PicoPip
Pip	0.70	Ag376	39	88	
	1.00	Ag392	59	133	PicoPip
Pip	1.10	Ag392	59	133	

*Tags for some species require extra protection or range that can increase the weight

PicoPip

- Pip signal strength
- Lighter weight tags for tracking even smaller species, or for longer tag life
